A LITTLE ABOUT ME

About Me

I enjoy discovering how websites work and turning ideas into simple digital experiences. I'm developing my skills step by step through practice and academic projects.

🎯
My Goal
Build useful, accessible and responsive websites while improving my programming skills.

🧩
My Approach
Learn the basics, practice regularly, solve problems and keep improving each project.

🌱
Currently Learning
Web design fundamentals, HTML, CSS, responsive layouts and programming basics.
